

An illustration on a dark blue background. Two stylized, grey-skinned men are shown from the waist up. The man on the left is in profile, facing left, with his eyes closed. He is wearing a blue long-sleeved shirt and black trousers. A stream of bright yellow liquid is coming out of his pants, splashing on the ground. The man on the right is also in profile, facing right, with his eyes closed. He is wearing a blue long-sleeved shirt and black trousers. A stream of bright red liquid is coming out of his pants, splashing on the ground. In the background, there are several yellow, irregular shapes floating in the air. The title 'Bloody Piss' is written in large, bold, red letters across the center of the image.

Bloody Piss

Bloody, a pinkish-red coloured, urine can be a sign of bladder cancer. If you notice blood in your urine, don't delay contact your doctor today!
